The Self-Determination Group

Parents are always concerned about their children's safety and happiness. As a parent of a child with a disability, you want the same thing. Plus, you hope your child will thrive as a young adult, living an independent life.

The Self-Determination Group in Fort Worth, Texas makes a difference in the lives of people with disabilities. Watch their video to learn the important principles of Self-Determination and Self-Advocacy.

Best Kept Secret

What happens when your student is finished high school and is about to transition to the next phase of his life?

Best Kept Secret is a 2013 documentary film directed by Samantha Buck and produced by Danielle DiGiacomo. The film aired as part of POV on the PBS television network. It focuses on a special education teacher in New Jersey who must find her students a place in the real world as they prepare to leave the public school system.
